| Dimensions | 250 x 265 x 38 mm |
| Weight | 1.8 Kg |
| Energy Use | 7.5 Watt (Operation) |
| Display | Mobile Application |
| Optical Resolution | 4800 DPI |
| Light Source | White LED |
| Connectivity | USB, Bluetooth, Wifi |
| Solution | Scanning fixed particles and moving carriage |

BENEFITS OF ST-X

AI Enabled Analytics

Quality Maps

Real Time Procurement Tracking

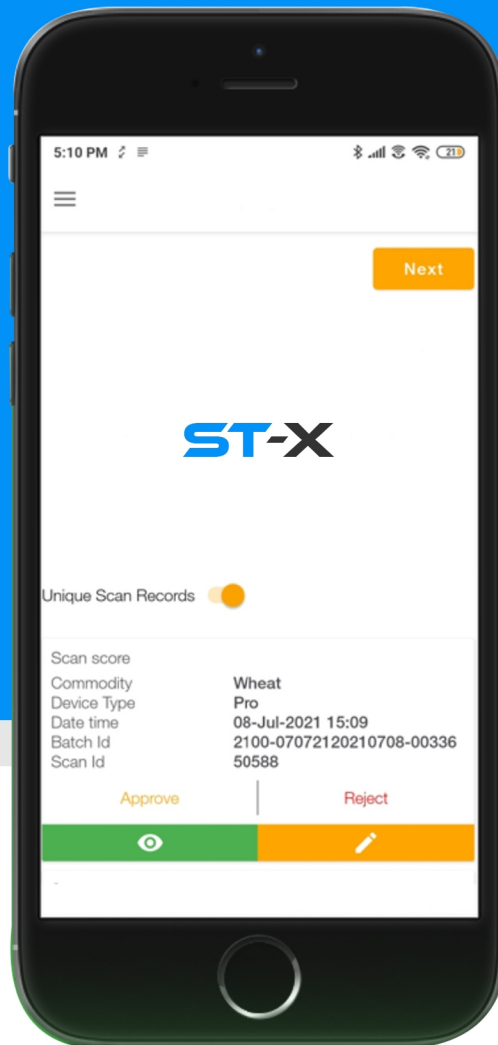

Role Based Access

Traceability

ERP Integration

HOW IT WORKS?

Step 1:
ST-X Visio
Instant physical assessment for multiple parameters

Step 2:
Operator Mobile App
Digitise DTR, barcode for lot traceability

Step 3:
ST-X Management Suite
Real time results and analytics to cloud
